Dear fellow alumni,

The first half of 2018 has been quite challenging on the human rights front. We hope that summer will give an opportunity to many of you to slow down, recharge your energy, pause, reflect and maybe to [become a supportive member](#). We need your support to run projects.

We will be back in the fall with two new projects: one to celebrate the 70th anniversary of the Universal Declaration of Human Rights and one to foster the professional skills within our alumni community. Stay Tuned!

As always, be in touch, share your ideas with us and tell us how we can strengthen this alumni community even more.

Warm wishes on behalf of the board,
